

2022 Corporate Sponsorship Packet

"Your support of drunk driving prevention is your support of the safety of Frederick County"

QUESTION?

“Is it frustrating to you that people are fully aware that it’s dangerous (and illegal) to drink and drive...

Yet they constantly do it anyway because they... *insert excuse here*?”

We completely agree. So, we created solutions that make it so a person can’t even THINK of an excuse.

The Safe Ride Foundation is Frederick County, Maryland’s only anti-drunk driving nonprofit organization,

created to directly combat the ever-going epidemic of DUI’s and DWI’s in the growing communities of our area. As a charity, we have always operated through one central concept: To not simply dream of change, but become the change. We combat the ongoing drunk driving issue in many areas including education, prevention, and victim relief. To facilitate this

we’ve created several programs, most notably our flagship program [SOS Safe Ride](#), which provides our county with the convenience of an on-demand designated driving service and mobile app that transports intoxicated persons home from the bar, but in their own vehicle. Our very popular program provides an amazing alternative to a taxi cab or uber™, by giving the person the convenience of having their vehicle in their driveway the next morning, and more importantly, preventing them from making a decision that would possibly harm themselves or others.

Celebrating 5 years!

A Track Record of Nonprofit Innovation

The Safe Ride Foundation was founded in December of 2014 by Wayne Dorsey of Frederick, Maryland. Since then, the executive board of directors has now grown to a team of six strong-minded individuals who all share the same passion for drunk driving prevention in our area.

Every one of our board members has a different story of how drunk driving has affected them.

Some have had family members or friends pass due to the recklessness of a driver. Some have had DUI offenses of their own. Others simply feel themselves surrounded by the problem and want to do their part to stop it. No matter the case, our team works year-round to eradicate this problem in every way.

The Safe Ride Foundation Board of Directors

From Left: Meet Wayne, Laurel, John, Suzanne, Teddy, and Anna!

“Vague Goals Yield Vague Results”

This is our board motto. We begin every meeting with it in order to drive home (pun intended) the point that specific goals will always achieve specific outcomes.

Drunk driving prevention is no different.

Our Specific Goals for Year 2022

Part 1 – Vision and Past Achievements

The SOS Safe Ride program is what we're known for, and it's the means of us making the biggest impact on drunk driving in Frederick County.

Achievements:

- **Number of Rides:** Since SOS Safe Ride's inception in 2015, we are proud to share that it has provided well beyond **14,000** rides to citizens of Frederick County, traveling over 50,000 miles in the process. This leads into our most significant achievement:
 - **Drunk Driving Arrest Reduction:** Since 2016, we have also directly contributed to a nearly **15%** **reduction in drunk driving arrests** within Frederick County, which is no small feat.
 - **Volunteer Hours:** Finally, SOS Safe Ride drivers have collectively contributed **15,000 volunteer hours** in dedication to drunk driving prevention.
-

The "buzz" that SOS Safe Ride has subsequently created in the local media and community as a result of this has garnered both in-kind and monetary support from individuals and corporations alike all throughout Frederick County.

While all of this is wonderful, there is still significant work to be done in order to create impactful change.

This is what we're planning to do in order to create that change:

Our Specific Goals for Year 2021

Part 2 – S.M.A.R.T. Outcomes

On the following page are crime statistics for both the state of Maryland, and Frederick County.

Frederick County currently ranks **fourth** in the state for drunk driving-related arrests, arresting over 1,000 citizens every year for DWI, DUI, Aggravated DUI, or Vehicular Manslaughter.

In 2016, that number was over 1,250. With the Safe Ride Foundation's help, we've been able to make a significant dent in drunk driving arrests, which leads to our goals and outcomes:

GOALS:

Goal #1: Save 5,000 Lives in FY 2022 through the SOS Safe Ride program, bringing our grand total to over 22,000 rides.

Goal #2: With the completion of *Goal #1*, we aim to see an **additional 5% Reduction in Drunk Driving Arrests** in Frederick County by the start of fiscal year 2023.

These are specific goals, which are both measurable and attainable. However, we cannot achieve them alone.

It takes a team; it takes a community, and most importantly, it takes individuals and organizations like **you** to help see this goal to its fruition!

Your Generous Sponsorship of The Safe Ride Foundation

And What it Will do for Frederick

A tax-deductible donation to the [501\(c\)3 nonprofit "The Safe Ride Foundation"](#) goes to tremendous lengths in helping to fight drunk driving in Frederick County. By sponsoring our foundation, your contribution gets split into four parts, going into both arms and both legs of our organization which are listed below.

Your contribution is all-encompassing, with each donation having the ability to help save **100 lives or more** in Frederick County by way of drunk driving prevention.

Programs & Initiatives that your sponsorship will directly benefit:

The Prevention "Arm": Primary Program - [SOS Safe Ride](#)

- *Additional Program Vehicles – Acquiring new "chase" vehicles for our program.*
- *Advocacy – Campaigns to raise awareness for the SOS Safe Ride program*
- *Tech Development – Improving the usability and capacity of our Mobile App*

The Education "Arm": Primary Programs – "Over the Limit Fest" and "Pump Your Brakes Booth"

- [Over the Limit Fest](#) - Helping to put on our annual education and fundraising event, the Over the Limit Comedy Fest
- [Pump Your Brakes Booth](#) - Acquiring new breathalyzers for the "Pump Your Brakes Booth" which administers free breathalyzer tests to patrons of Frederick County bars and alcohol-serving events.

The Victim Relief "Leg": Primary Program - Safe Ride Foundation "Angel Fund"

- [Angel Fund](#) - Supporting the Angel Fund for victim relief, which provides aide to families affected by drunk driving. This fund benefits victims by way of grief counseling, funeral costs, and medical expenses.

The Rehabilitation "Leg": Primary Program – Steered Straight

- *Steered Straight - Our organization's exclusive DUI rehabilitation program that allows drunk drivers to atone for their crime, while also preventing others from making that same mistake.*

All Donations, In-Kind Gifts, and Sponsorships are Tax-Deductible

Join these brands and dozens more in their support of our noble organization!

No contribution is too small, and remember that the best donation that anyone can give is simply their time.

Thank you for your interest, the following pages will include all sponsorship benefits associated with your support of Drunk Driving Prevention via the Safe Ride Foundation.

Conclusion

Thank you for your consideration

We appreciate you hearing our story, and to close, we leave you with something that we exclaim every that chance we get. We mean this every single time, and it will always ring true for us and our endeavors:

“The fact is, we're not only aiming to give a few rides home, because anyone could do that. Our purpose is much larger. We want to change a culture, to set the example, and create an environment where there is absolutely zero excuse for someone to get behind the wheel when they know that they shouldn't. That is why we exist, and what strive for every single day.”

- The Safe Ride Foundation

We humbly invite your organization to help us fight the good fight against drunk driving. We thank you for your consideration, and together we can move closer towards making Frederick County a safer place, by ending drunk driving once and for all.

“The War Against Drinking and Driving Starts With YOU!”
